RENTAL, SALES & SERVICE SOFTWARE

Result Group is now offering a Rent-to-Buy option for its rentalresult EXPRESS off-the-shelf total package. With no fees and no 3rd party financing, costs can be spread over 24 months, minimizing initial costs and maximizing payback with a fast-track implementation of 90 days.

The rentalresult EXPRESS product is a total comprehensive business solution for rental companies with expansion options built in to cover future growth and includes Financials, Customer Relationship Management and Cognos Reportnet as well as the core Rental, Sales and Service modules

At a time when costs must be kept under tight control, and Capex's are being cut back hard, companies will only invest where clear precise savings can be generated. Result Group have customers beating every market measure, who will reference rentalresult solutions to deliver better controls, lower costs and an outstanding customer experience to their key clients

Visit www.rentalresult.com or Result Group's Booth #4215 at the ARA Rental Show in Atlanta, GA 3rd – 5th March 2009 to find out more.

About Result Group

Result Group has been selling specialist software to companies renting out assets, eg Cranes, Tools, Heavy Equipment, Aerial, Modular Space, Computer Hardware and Test & Measuring Equipment since 1994. Using our extensive knowledge of rental we have created an innovative and leading industry solution. Our java-based product, rentalresult, manages all aspects of rental including order processing & fulfilment, sales management, asset lifecycle & inventory, servicing, financials and CRM. In an industry where outdated technology is the norm, Result's innovative approach provides significant competitive advantage. Customers identify benefits through breadth and depth of functionality; flexibility, web-enablement and ease and speed of use.

Result Group has offices in Manchester UK and in Phoenix AZ and Atlanta GA.
